Dear Parents and Business Owners,

Naples Element All Stars is a not-for-profit organization dedicated to fostering integrity and empowering youth. As we prepare for our inaugural season beginning in May 2025, we are seeking sponsorships from local businesses to help provide financial support for athletes in need. The cost for an athlete to participate in competitive cheer is approximately \$6,000 per season, not including travel expenses.

We have many talented athletes within our community who require assistance to pursue this incredible sport. These athletes are vital to our gym, and we are committed to supporting them to the fullest extent. Your sponsorship would make a significant impact and is deeply appreciated by both the athletes and our team.

Naples Element All Stars is more than just a gym—it's a place where every athlete feels at home. Our goal is for the athletes who walk through our doors to want to stay, to grow, and to be part of something special. We aim to make a lasting impact in their lives. While we strive to win, we do so by working hard, having fun, and fostering a strong sense of community.

Beyond cheer, our athletes develop valuable life skills such as perseverance, teamwork, and integrity. We are also dedicated to giving back to the community by supporting a local non-profit organization each season.

If you have any questions or would like more information, please don't hesitate to reach out.

Thank you for your generous support!

Sincerely,
Naples Element All Stars
